

JOB CERTIFICATE

Mr Yerson Arboleda Correa, born 24.8.1989 was employed in PNC Norge AS from 18.6.-17.8.2018 for an internship at the bridge construction project E18 Varoddbrua in Kristiansand, municipality Vest-Agder in Norway. Main client for this project is the Norwegian Road Administration Statens vegvesen Region Sør. PNC Norge with its enterprises PNC Norge AS and PNC Norge Infrastructure NUF serving the Norwegian market is embedded in the PORR Group seated in Austria.

During the internship Mr Arboleda executed mainly the following tasks

- Organization and quality assurance of casting operations
- Quality documentation according to client's and PORR Group standards
- Checking of formwork and reinforcement
- Support of the Site Management
- Documentation of Site activities
- Co-ordination of Site logistic

Mr Arboleda showed comprehensive technical knowledge and grasps difficult concepts, identifies the essentials and is able to show solutions quickly. He met the required degree of commitment and is always able to cope with a high workload. His judgment is characterised by clear and logical way of thinking, that enables him to assess situations effectively.

Mr Arboleda always worked very reliable and meticulously. He worked independently, identified good solutions and had new ideas. He always completed his tasks to our complete satisfaction. His behavior towards his superiors, colleagues and the client was irreproachable.

Mr Arboleda leaves the company after completion of the internship. We thank him for his work and wish him all the best for the future and every success with his career.

Oslo, 17.8.2018
